## WHY SHOULD YOU PARTNER WITH HENNINGSEN?

**Reliability. Service.  
Quality. Commitment.**

These timeless concepts have always been our hallmark. What we do best — cold storage solutions — we've been doing for more than 90 years!

At Henningsen Cold Storage, we believe there is more to quality warehousing than just four walls. We recognize that even state-of-the-art facilities and equipment need to be augmented with exceptional customer service.

Whatever your needs — including use of a computerized inventory management system, a variety of temperature-controlled environments, a custom-built facility, or management of your current facilities — Henningsen Cold Storage is the name you can trust.

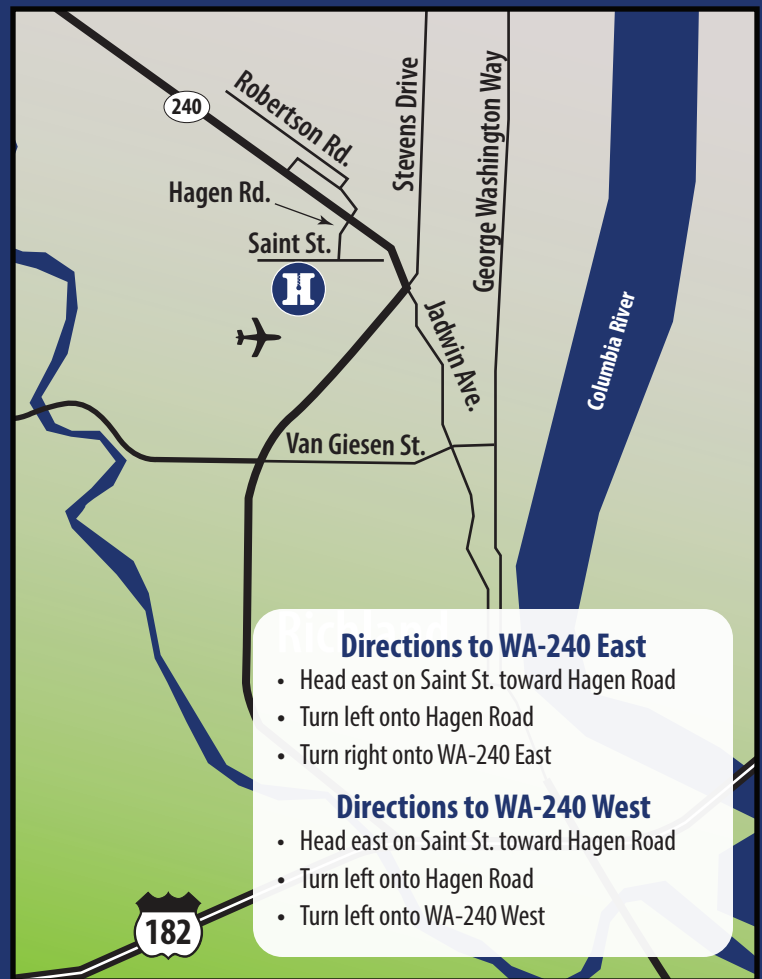

For more information on how our value-added personal service can help meet your warehousing and distribution requirements, please contact us by calling:
